

# INTIMIDATOR™ 12XP TRACK

## 12" Capacity Hand-Fed Chipper

Companies who are seeking a **highly productive**, compact drum-style track chipper turn to the Intimidator™ 12XP Track. Featuring a 24-inch diameter drum with a large 14.25-inch by 17-inch throat opening, it **easily processes large brush stacks and limbs**.

### HIGH PRODUCTIVITY

Powerful dual feed wheels mounted in Bandit's proven Slide Box Feed System provide direct down pressure to material entering the chipper, requiring little-to-no trim work on material before feeding it through the chipper.

### DURABLE UNDERCARRIAGE

A Track One rubber track undercarriage is standard and provides high durability and flotation for traveling over a variety of terrain settings.

### RADIO REMOTE CONTROL

Standard with a user-friendly radio remote control allowing the operator to control all track functions in addition to chipper feed forward / reverse, hydraulic lift cylinder up / down, discharge swivel / deflector and engine e-stop.

### EASY TO TRANSPORT

With a weight range of 8,500 to 10,000 pounds and a compact design, the 12XP track can easily be maneuvered and transported.
