FOR IMMEDIATE RELEASE

Bandit Industries, Inc. Partners with Carolina Cat as New Industrial Equipment Dealer in Western North Carolina

Remus, MI – Bandit Industries, Inc., a leading manufacturer of tree care and wood waste recycling products, is pleased to announce a new dealer agreement with Carolina Cat. Under this agreement, Carolina Cat will represent Bandit’s full line of industrial equipment, parts, and service across Western North Carolina.

As an authorized Bandit Industrial Equipment Dealer, Carolina Cat will provide customers with access to Bandit’s high-performance machines, including whole tree chippers, horizontal grinders, and slow-speed shredders. In addition to equipment sales, Carolina Cat will offer factory-certified parts and expert service support, ensuring customers receive comprehensive solutions to meet their operational needs.

“We are excited to welcome Carolina Cat to the Bandit Dealer Network,” said Craig Davis, CEO of Bandit Industries. “Their strong presence and customer-focused approach in Western North Carolina will provide Bandit customers with exceptional service, reliable parts availability, and trusted equipment support.”
