FOR IMMEDIATE RELEASE

Bandit Industries, Inc. Announces Dealership Representation with Gregory Poole Equipment Company in Eastern North Carolina

Remus, MI – Bandit Industries, Inc., a leading manufacturer of tree care and wood waste recycling products, is proud to announce a dealership agreement with Gregory Poole Equipment Company as the new authorized industrial equipment dealer in Eastern North Carolina. This strategic collaboration strengthens Bandit's Dealer Network and ensures top-tier sales, service, and support for customers in the region.

Under this agreement, Gregory Poole will represent the full line of industrial Bandit products, including whole tree chippers and horizontal grinders, and slow speed shredders providing comprehensive parts, sales, and service to customers across Eastern North Carolina. As a trusted name in heavy equipment with a long-standing reputation for excellence, Gregory Poole is well-positioned to deliver the industry-leading performance and support that Bandit customers expect.

“Partnering with Gregory Poole expands Bandit’s ability to serve customers in Eastern North Carolina with the highest level of support and expertise,” said Craig Davis, CEO at Bandit Industries. “Their reputation for exceptional service and commitment to customer success aligns perfectly with Bandit's values. We’re excited to have them as part of our growing dealer network.”
