INTIMIDATOR™ 15XPC

15” Capacity Hand-Fed Chipper

Tree care companies, municipalities and right-of-way contractors serious about chipping thick limbs and even some whole trees for site cleanup should look no further than the Intimidator 15XPC. Featuring a powerful 24” diameter drum and generous 17-1/4” high by 18-5/8” tall throat opening, this chipper can take nearly anything you can throw at it. Bandit’s **powerful slide box feed system** will pull and compress limby material toward the drum to be efficiently chipped, improving your productivity.

ENGINEERED PERFORMANCE

Bandit chippers have proven over time to be the best decision you can make for a long-term investment in a brush chipper. Like all Bandit models, the 15XPC is engineered for maximum performance, built to have the longest lifespan on the market, and equipped with features that increase operator productivity over time.

REDUCE YOUR FUEL COSTS

The 15XPC’s drum turns at a lower RPM with greater torque, and the synchronized feed system never underfeeds or forces material against the drum. The result is a more efficiently fed chipper that reduces idle time, and translates to fuel savings up to 30 percent.

FEED, CRUSH, CHIP

Bandit chippers are easier to feed, so you’ll be more productive during the day. Bandit’s unique slide box feed system and powerful dual horizontal feed rollers, which are 18.625” wide by 10.625” in diameter and powered by a pair of 32.3 CID hydraulic motors, crush and compress material, easily guiding it to the drum.

MAXIMIZE YOUR UPTIME

The most common maintenance items are easy to access on Bandit chippers. Bolt-in knives are easy to access and change through the chipper hood. And all service areas are easy to access, including all grease points, so daily maintenance is simple and quick.

Choose from two standard colors, or select a custom color to match your fleet.

Bandit Yellow Green

DIMENSIONS

Capacity:	15”	38.1cm
Opening:	17.25” high x 18.63” wide	43.8 cm high x 47.3 cm wide
Drum:	24” dia. x 18.75” wide	61 cm dia. x 47.6 cm wide
RPM:	Approximately 1,538 RPM	

Hitch: 2-½” pintle hitch

Discharge: Height-adjustable, 360° hand crank swivel with 12” (30.5 cm) adjustable chip deflector

Feed System: Slide box feed system with (2) 21” (53 cm) adjustable down pressure springs, (2) 10-5/8” diameter x 18-3/4” wide feed wheels (26.99 cm x 47.63 cm) powered by (2) 32.3 CID hydraulic motors

Frame: Mainframe is constructed of 1/4” x 2” x 4” rectangular tubing with a 3/8” x 3” x 6” tubular tongue

COMMITTED TO QUALITY & PRODUCTIVITY

Since 1983, Bandit has manufactured equipment for a multitude of wood waste processing markets. The vision since the beginning, is to build quality, highly productive, easy to maintain equipment providing years of dependable service.

The commitment for quality, innovation and dedication is instilled in every employee and is one of the main reasons why Bandit became an Employee-Owned Company (ESOP) in 2018. These core values ensure each Bandit machine will leave the factory ready to exceed your expectations.

WATCH IT RUN!

INTIMIDATOR™ 15XPC FEATURES

- **Rope/Line Shear Device (standard)**
  Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**
  Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**
  Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**
  Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**
  Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**
  Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**
  Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels

Bandit Offers a Complete Line of Tree Care Equipment:
Hand-Fed Chippers • Stump Grinders • Whole Tree Chippers
Horizontal Grinders • Slow-Speed Shredders
